## SUPERINTENDENT'S MESSAGE

THE ELEMENTARY SCHOOL Provides a worthy foundation upon which each pupil can build a satisfactory life with the help of advanced education and experience.

NEW LONDON COMMUNITY SCHOOL patrons should be proud of the past efforts to establish good education through fine teachers, proper instructional materials and school plant facilities.

NOW we need to look forward to the future with plans to keep our program up to modern standards so our youth will truly be prepared for the responsibilities they face today and in the space age which lies ahead.
